www.alsbc.ca

Canadian Red Cross Society

Basic health equipment loans are provided for short term loans, by referral from an occupational or physical therapist, a nurse or a physician. Advanced medical equipment loans are also available for short term loans and require an authorized Island Health referral from a physical or occupational therapist or nurse. Items not requiring installation may be picked up at the depot, however a fee-based service for delivery, pick up and installation of all equipment is available. Donations for loans of our equipment are gratefully accepted.
