Please note that **Ability411** cannot be contacted by phone. To contact them please submit a message online at [www.Ability411.ca](http://www.Ability411.ca)

# Medical Equipment and Supplies

---

## Canadian Red Cross Society

Basic health equipment loans are provided for short term use, by referral from an occupational or physiotherapist, a nurse, or a physician. Private health care professionals may use the Red Cross referral on our website. All Island Health staff are required to use MEPP (Medical Equipment Provision Program) referral forms. Advanced medical equipment loans are also available for short term use and require a MEPP referral from a physio or occupational therapist. Items not requiring installation may be picked up at the depot. Please note that Red Cross no longer provides a delivery or pick up service for basic medical equipment. Additionally, extension forms are now required in order to extend the length of time that clients may borrow equipment for. MEPP extensions are required for all VIHA equipment loans. For questions or concerns, clients are encouraged to phone the Island Health Community Access Centre at 1-888-533-2273. Donations are gratefully accepted.
